						1/1/23 New Year	<p>Hello OIDS Family!</p> <p>We hope everyone has a very Happy New Year! Please be aware that we have made some changes to our procedures:</p> <ul style="list-style-type: none"> - We will now have time blocks for dropping off/picking up for boarding. - We will no longer have daycare on Sundays. - We are no longer be accepting tips. <p>These changes are being made so that the OIDS team can be adequately staffed during peak times and focus our attention on our furry friends.</p> <p>In lieu of tips we hope that you might consider donating to Mermaid SANDS. Mermaid SANDS is a non profit spay, neuter, dental, and wellness exam clinic opening soon to provide these services to our community.</p> <p>Thank you for being a part of our OIDS family!</p>
